Happy New Year! OK, so we're a little late ringing in 2011. But, give us a break! The reason we're tardy is because we spent so much time stuffing this issue with pics, puzzles, contests and creatables that we fell asleep for three days, and forgot how to eat pizza! But it was worth it. For starters, check out P. 28—it's your chance to help the Spring-Loaded Superstar, Kofi Kingston, design his kickpads and tights! We've also got an exclusive interview with The Game, Triple H (P. 7), snowboard gear officially approved by John Morrison (P. 26), and never-before-seen pics showing what action figures do on their days off (P. 6). Plus much more! Now, back to relearning how to eat pizza. Practice makes perfect!

## WWE KIDS ADVISORY BOARD

Each issue, we search the world for the coolest, most creative kids to join our *WWE Kids* Advisory Board. This month? The totally awesome Anthony from NY!

**Who do you predict will take all in the 2011 Royal Rumble Match?**  
That's easy. Randy Orton! And not just because he's my favorite Superstar, but because he's the strongest person in WWE. He can beat anyone!

**What would you rather do: Cheer The Champ more or Boo Sheamus more?**  
I'd much rather cheer for John Cena more. It's a lot more fun to cheer for the good guy, like Cena, instead of wasting my time booing a loser, like Sheamus.

**If you could win any WWE title, but it meant you had to be buds with Vickie Guerrero, would you do it?**  
No title is worth being friends with

Vickie Guerrero. She's obnoxious. I'd rather win a title on my own, by working hard and knowing I earned it.

**Cena yells, "You can't see me!" Kofi says, "Boom Boom Boom!" What would your catch phrase be?**  
"Come and get it!" I think it would really intimidate opponents. Like, you think you can defeat me? I dare you to step into the ring and try!

**Which Superstar totally deserves to be on the cover of *WWE Kids*?**  
John Cena! He always looks so cool. And his purple and yellow gear is awesome. He deserves to be on the cover of *WWE Kids*.

## MEET THE BIG HEADS

These self-satisfied Superstars have obnoxious, out-of-control egos—and the monumental noggins to prove it! Look!

**DREW MCINTYRE**  
Is his cockiness justified? It's been 18 months since The Chairman called Drew a future World Champion, and he's yet to capture a World Title!

**JACK SWAGGER**  
Let's give credit where legitimate credit is due—it must be hard to do push-ups with such a giant noodle weighing you down!

**DOLPH ZIGGLER**  
His entrance music says he's perfection. If that's true, how come he loses, and has to cheat when he doesn't? Nobody's perfect, Dolph!

**THE MIZ**  
Thanks to him, the list of people who think The Miz is awesome has reached one! (Two if you count his flunky, Alex Riley—which we don't!)

**CODY RHODES**  
The mirror on the back of his jacket is a reflection of his enormous ego—and the definitively disgusted faces of whoever's walking behind him.

**ALBERTO DEL RIO**  
If Alberto Del Rio is royalty, like he says he is, his crown must be the size of a monster truck tire! He's got the biggest head in WWE!

# TRIPLE H'S CHAMPIONSHIP CHASE!

## THE GAME SPEAKS!

WWE Kids caught up with Triple H on the set of his new movie, *The Chaperone*. Look!

**How does being a WWE Superstar prepare you for acting in a movie?**

Everything a WWE Superstar does is larger than life. We have to be bigger than ourselves because we're in front of thousands of people, and we need them all to see and hear us. But, in a movie, you need to be relaxed and casual. The hardest thing about acting is that you have to be able to do it without looking like you're trying!

**What was being on the set like?**

We goofed around a lot. We were constantly joking around with each other. Making the movie was a lot of hard work, but being on set was a really fun experience.

**Did you mess up your lines?**

I did—but that happens to everyone at some point. In one scene, I kept pronouncing the same word wrong every time. Ariel Winter—the actress who plays my daughter in the movie—turned to me after the third take and said, "I don't think that's even a word!"

**What advice can you give to kids who want to start acting?**

Remember to have fun with it. If it's something that makes you happy, go for it, work hard, and give it your all.

**What do you say to fans about your return to WWE?**

I can't wait to step into the ring again. I'm anxious to see the fans, and to be surrounded by the WWE Universe. Having been away, it'll mean so much more.

### 7 THE NEXUS VS. SANTINO MARELLA AND VLADIMIR KOZLOV *Tag Team Match for the WWE Tag Team Championship*

In a fair fight, Santino and Vlad might have had a chance. But when Heath Slater and Justin Gabriel were joined ringside by fellow Nexus members David Otunga, Michael McGillicutty and Husky Harris, that became impossible. After a distraction from The Nexus members, Slater pinned Santino for the win to retain the gold.

Winners:  
THE NEXUS

### 8 RANDY ORTON VS. WADE BARRETT *Singles Match For The WWE Championship*

Hustle, loyalty and respect. Now add integrity to the list of characteristics that make John Cena great. Despite the threat of being kicked out of WWE if Barrett lost, Cena—acting as special guest ref—wouldn't compromise. He called the match fairly, allowing Orton to retain—possibly ending his own career in the process!

Winner:  
RANDY ORTON

### 2 JOHN MORRISON VS. SHEAMUS *Singles Match*

The Monday Night Delight scored an upset win over the two-time WWE Champion after dodging the ginger-headed juggernaut's Brogue Kick, then hitting him with a running knee smash! Cool dudes: 1. Bullies: 0!

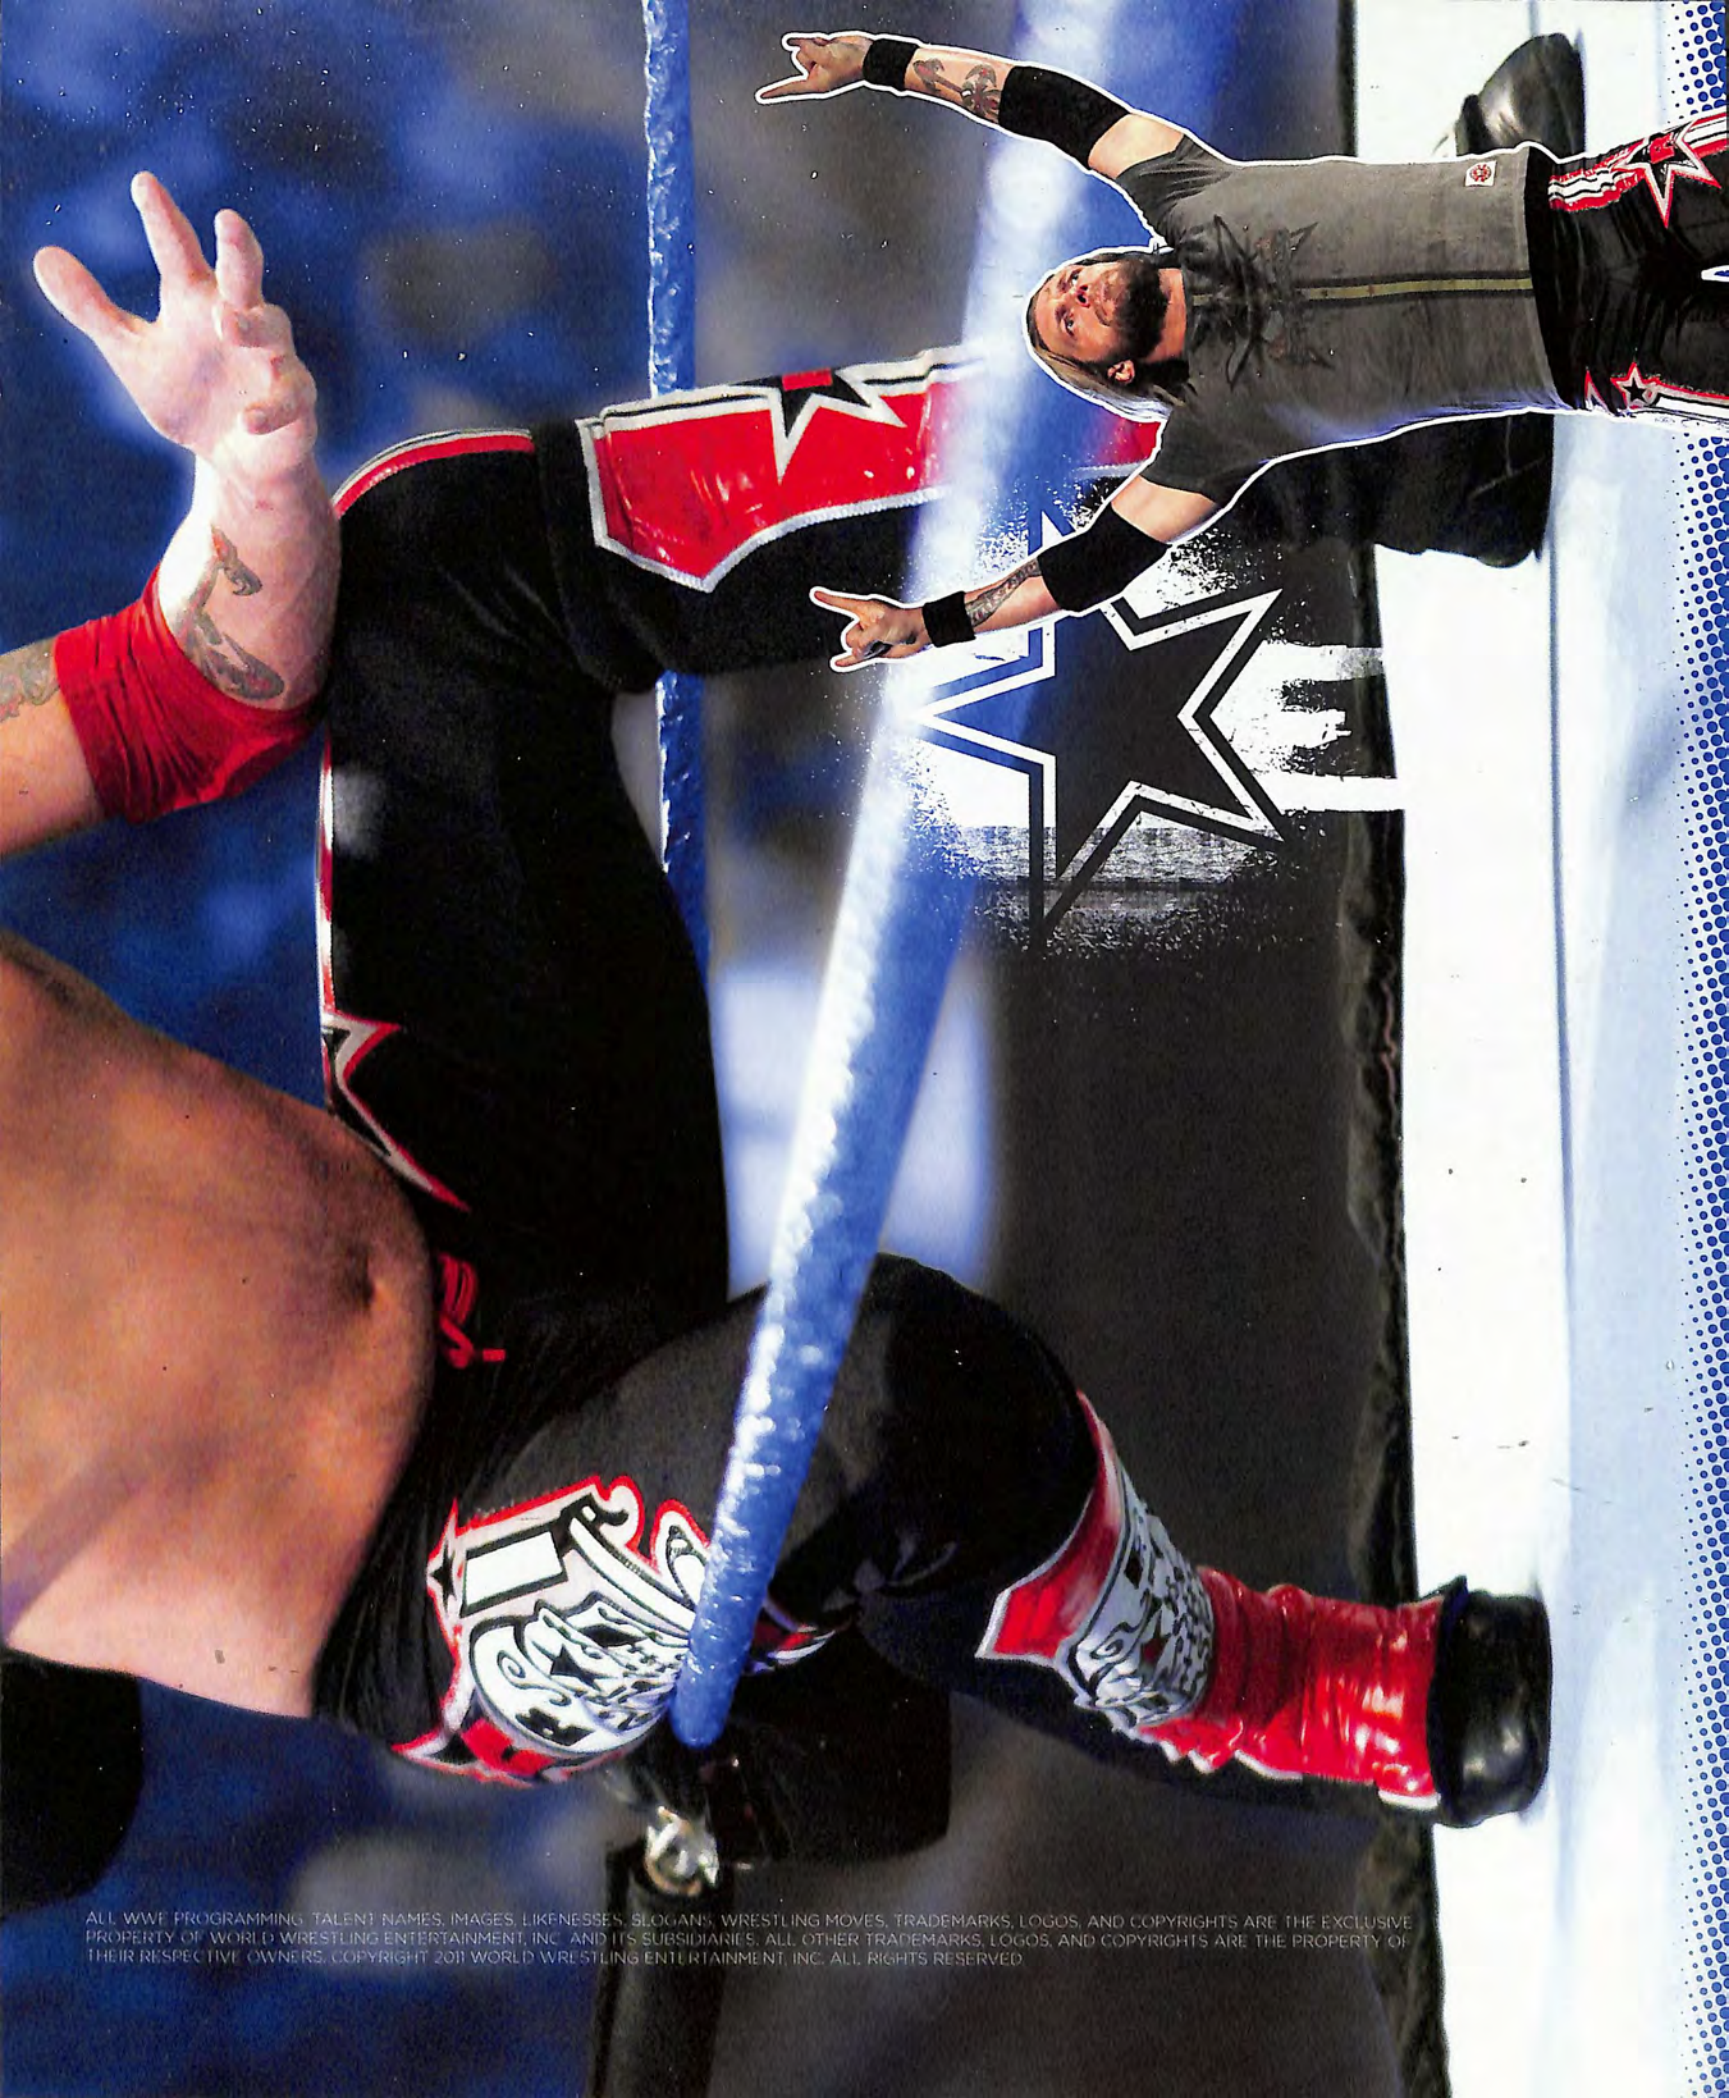

### 1 DANIEL BRYAN VS. TED DIBIASE *Singles Match For The U.S. Championship*

In the first match of the evening, Daniel Bryan again used his LeBell Lock to secure the win. But it was The Miz who made the biggest impact. While Bryan was celebrating, The Awesome One used his Money in the Bank briefcase to knock Bryan out cold. Evil and arrogant—that's The Miz.

Winner:  
DANIEL BRYAN

## YOUR QUESTIONS HIS ANSWERS!

Santino Marella dips into our mailbag and answers your questions about tea parties, WWE Championships and Shay-Moos! (Psst—that's Sheamus!)

SHEAMUS—UNDERDRESSED AS USUAL!

**Q** Your Raw tea party with Sheamus was awesome! How do I get an invitation to the next one?  
GEORGIA, 9, OK

**A** Santino's tea parties are very exclusive engagements. For admittance, I would require a handwritten letter explaining why you deserve to be invited. The purpose of a Santino Marella tea party is to resolve issues. So, in this letter, tell me what issues you have, and how you'd like to see them resolved. Then, we might be able to have a tea party.

**Q** I love your entrance music. Do you feel proud to be Italian when you hear it start?  
GAETANO, 12, FL

**A** I do. I'm very proud to be Italian. And I love that people are able to recognize my song so quickly. Most people may not know that the words are all about victory. That song is full of beautiful lyrics. I think it's a great entrance theme for Santino Marella.

**Q** What's up with your invisible trombone? Can you play any musical instruments?  
MARILYN, 8, PA

**A** I'm not trained on any real instruments, although I do dabble in the recorder. My invisible trombone, though, is my way of celebrating and letting the WWE Universe see my excitement. It's my way of expressing my happiness, and feelings of joy that I just can't contain.

**Q** Is your accent real?  
CHRISTIAN, 10, CT

**A** Of course it's real! It's a part of me. A few years ago, when I came to the United States of America, my accent was much stronger. But now that I've lived here for a few years and taken in the culture, it's faded a bit. When I get excited or upset, it's much more obvious.

**Q** I remember when you tried to break Honky Tonk Man's record as the longest-reigning Intercontinental Champion. Is there another WWE record you want to break?  
JEFFREY, 12, IA

**A** Yes. Absolutely. Vladimir Kozlov and I won the WWE Tag Team Titles, and our goal is to keep them for a very long time. Now that he and I are the WWE Tag Team Champions, the Titles have truly become an international symbol. He is from Russia—the largest country in the world. And I'm from Italy—one of the world's most influential countries. Together, we've come to America and worked hard to make our dreams come true.

**Q** Who should my Santino Marella action figure compete against tomorrow at recess?  
DEVON, 6, IN

**A** Cody Rhodes. He could use a lesson in what it means to be a WWE Superstar. He's focusing on the wrong things—vanity and looks. A real WWE Superstar knows that he is in the ring to entertain the fans, not to stare at himself. Santino's action figure—who loves the entire WWE Universe—could teach Cody's a lesson.

**Q** What's one thing the WWE Universe would be surprised to know about Santino?

**A** HARLIN, 11, BC  
I can cook anything, from soups to roasts to sauces and salads. I learned from my mother, my grandmother and my aunts. Growing up, I was around a lot of great cooks.

**Q** I think you're the silliest Superstar—in a good way! Can you teach me some tricks on how to be funny?

**A** MICHAEL, 8, RI  
You can't really learn to be funny—it's something you have to feel. My best advice is that when you're telling a joke, make it seem as real as possible. The more people believe what you're saying, the funnier it'll be when you reveal it's a joke!

**Q** Before you started wrestling in WWE, what other sports were you into?

**A** JOEY, 10, NV  
I practiced Judo. I also loved playing baseball, and I enjoyed football a bit. Sports are very important. Playing sports builds self-awareness, teamwork and leadership. You can't just sit on the couch and watch TV all day. You have to get out there and be a part of life. An active lifestyle is the only way to go.

**Q** My mom said I need to shut off the TV and play a game. What was your favorite game to play as a kid?

**A** KYLE, 7, TX  
Connect Four. I like that game a lot—it's very strategic. In order to win, you have to use your body language to fake out your opponent. It's not a complicated game, but move is very fun, and challenging.

**Q** Of all your wins, your victory over Sheamus was my favorite! Where did you find it in you to defeat a two-time WWE Champ?

**A** BARCLEY, 9, AK  
I do have to give some credit to John Morrison. Sheamus was about to defeat me big time, but John Morrison pulled my foot and saved me. I didn't even know what was happening. I'm proud of the victory, but I did have some help.

IF I DON'T MOVE, HE CAN'T SEE ME!

**Q** What's one motto you live your life by?

**A** JANUARY, 7, MO  
I have a tattoo that says, "Rise and shine," which, of course, I got with my parents' permission. That saying is very simple, but it's a rule I try to follow. I'm not afraid to wake up every day and be positive. I always try to fly and soar. So should you!

**"Bubblegum cake!"**  
You could chew this delicious cake forever, then blow bubbles out of it!"

—TESSA, 6, UT

**"Woo Woo Stew!"**  
It'd be filled with only orange and purple foods—like carrots and eggplant—Zack Ryder's favorite colors."

—ZACH, 9, FL

**"Pizza-topped pizzas!"**  
Each pizza would have pizza bites on top of it. Twice the pizza, twice as delicious!"

—JOEY, 11, NC

**"Chocolate salad!"**  
You have to eat your veggies, but mine would be covered in chocolate dressing! With a cherry tomato on top!"

—BURT, 6, MN

If you owned a restaurant, what would be your signature dish?

"SANTINO MARELLA LASAGNA! WITH EVERY MEAT POSSIBLE! —BEEF AND, OF COURSE, CHICKEN! AND LOTS OF MARINARA SAUCE!" —SANTINO MARELLA

HANGING WITH WWE'S HOTTEST SUPERSTARS

## JOHN MORRISON'S MOUNTAIN MUSCLE MAKER!

Grab your board and get set to shred this snowboard season with the Monday Night Delight's whole body, super-fun, easy-to-do workout!

#### ► COLD CALF RAISES

Lifting with your legs, and not your back, bring your board up behind your head for an exercise that will prepare your legs for all-day play. Stand with your feet underneath your shoulders and lift your body by raising yourself up on your tippy toes. Hold for one second, then come back down. Now do it again!

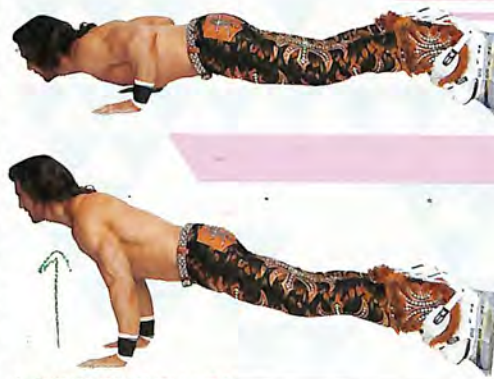

#### ► COOL CRUNCHES

Super-shredding starts with your core—the group of muscles centered around your tummy and lower back, which help you balance, jump and turn. Lie on your back with your feet in the bindings and your knees pointing toward the ceiling. Slowly raise your chest toward your knees. Keep your neck and back straight as you contract your stomach muscles.

#### ► SNOWY SQUATS

Hold your board behind your back and stand with your feet shoulder-width apart. Pretend there's a chair behind you and sit down into it. The key is keeping your spine straight and maintaining your balance as you point your butt to the ground. Lower your body until your thighs are parallel to the ground, then stand back up.

#### ► POWDER PUSH-UPS

You've done push-ups—but have you done them like a Superstar? The perfect push-up starts with a straight back, and with your hands under your shoulders. Keeping your head still—focus your eyes on a spot on the ground in front of you—breathe in as you go down and breathe out as you push up. Push-up? So *that's* where the name comes from!

#### ► LOW-TEMP LUNGES

With your board extended straight out in front of you, take a full step forward and dip your back knee to the ground. Keep your back straight, chin up, and shoulders square. Then, stand up and repeat with the other side. This exercise will help turn your legs into super strong springsteppers, and also amp your balancing skills, which are essential to carving, tricking, and riding safe on your board.

PRANKS AND PROJECTS THAT  
ARE USEFUL FOR ANY OCCASION!

## EXTREME BEADS!

Kick start that imagination machine and bring your favorite WWE designs to 3D life! And learn to iron!

### WHAT YOU'LL NEED

Perler Beads  
Pegboard  
Iron  
Wax paper

### 1 PLAN YOUR PATTERN!

Whether it's an original design, or an awesome photo you want to replicate, first figure out what you want your creation to look like. Need some ideas? Check out the WWE-inspired patterns below!

### 2 POSITION YOUR BEADS!

The best way to craft your pattern is to start from the outside and work your way in. Zone-in on one aspect, such as Edge's eyes, then work your way to the outer borders.

### 3 PLACE THE PAPER ON YOUR PATTERN!

It's incredibly important to lay the wax paper gently over your design—if you don't, your beads might be headed for a design-ruining Royal Rumble and spill everywhere!

**HINT:** When the beads are properly melted, the center holes will look smaller!

### 4 IRON IT!

Ask a parent or guardian to set an iron to a medium heat. Then slowly iron over your wax-paper covered mold in circular motions for 15 seconds—or until all your beads are melted together.

### 5 CHILL OUT!

Your creation will be too hot to handle right after it's ironed, so give it 30 seconds to cool off before touching it. (Need to pass the time? Take a moment to clean up any messes you've made!)

### 6 FLIP THE PEGBOARD!

With one hand bracing the top of the wax-paper, turn the pegboard over to dislodge it from the beads. Then, flip your design back over on a flat surface. Now slowly—very slowly—peel away the wax paper.

### 7 PAT YOURSELF ON THE BACK!

That's it! Your first Perler pattern has been plotted, placed and pieced together. Admire your hard work, and then get crackin' on your next patterns. Oh, and don't forget to send WWE Kids a photo of your creations!

# POWER PROFILE!

We break down WWE Superstars to expose their strengths and weaknesses, and to analyze their paths to greatness!

## STRENGTHS

### POWER

For Jack Swagger, height plus strength equals power. He uses this advantage to hit opponents with his Gutwrench Powerbomb, as he did to Chris Jericho to win the World Heavyweight Championship in April 2010.

### ATHLETICISM

Swagger is a two-time state high school wrestling champ. He also played football, and wrestled at the University of Oklahoma, earning the right to call himself the All-American American. Those accomplishments take talent.

### DETERMINATION

Who was WWE's only first-time World Championship winner in 2010? Jack Swagger, who won the Money in the Bank Ladder Match at *WrestleMania* and successfully cashed it in less than a week later.

## SUPERSTAR SCALE

# FINISHING MOVES

PRANKS AND PROJECTS THAT ARE USEFUL FOR ANY OCCASION!

THIS MONTH:

## JACK SWAGGER

### VITALS

HEIGHT: 6'6"  
WEIGHT: 263 lbs.  
HOMETOWN: Perry, OK  
DEBUT: 9/9/2008  
FINISHING MOVES: Gutwrench Powerbomb, Ankle Lock

### ARROGANCE

Would you run a marathon before a soccer match? No way! So why does Jack Swagger do push-ups before every match? Because he thinks he's better than his opponent! He needs to stop wasting energy to start winning more matches.

### COMPLACENCY

Swagger loves to tell the WWE Universe about all of his achievements outside WWE. While he should be proud of them, he needs to learn that what he did in the past won't necessarily make him a WWE Champion in the future.

### ANNOYANCE FACTOR

The All-American American not only annoys the WWE Universe, but also every Superstar in the locker room! Even Wade Barrett has Superstars to help him. Swagger has absolutely no allies in WWE.

## WEAKNESSES

### HE WANTS TO FACE

John Cena | Undertaker | Randy Orton

Swagger is a one-time World Heavyweight Champion and a former Mr. Money in the Bank. But to prove to the WWE Universe—and to himself—that he belongs at the top level of competition, he needs wins over WWE's biggest names.

### HE DOESN'T WANT TO FACE

Wade Barrett | Sheamus | Dolph Ziggler

Remember, Swagger won his World Heavyweight Championship against an injured Chris Jericho. By facing similarly underhanded Superstars, Swagger won't be able to use his cruel cunning to his advantage.
